# STUDENT RESEARCH PROGRAM IN PHYSICS (SRPP)

## AT NYU SHANGHAI

Research experience opportunities available for physics students (M.Sc. or Ph.D.) under supervision of faculty at NYU Shanghai. Topics available in fields of condensed matter physics, atomic molecular topics, quantum information, fluid dynamics, and more. Students will spend 3-6 months on an original research project, available throughout the year.

Financial support will be provided for eligible students.

对物理有浓厚兴趣？  
想要探索、体验、了解科学研究？  
快来申请上海纽约大学SRPP项目吧！

不论你是硕士研究生还是博士研究生，一旦申请成功，将在上海纽约大学参与为期三至六个月的物理科研实践。相关领域包括：凝聚态物理，原子、分子和光物理，量子信息，流体物理等。

项目期间，将提供包括食宿在内的资金资助。
